PROFESSIONAL SUMMARY

Motivated and creative Higher National Diploma in Information Technology (HNDIT) student with a strong interest in Full Stack Web Development, Software Engineering, UI/UX Design, and Artificial Intelligence. Skilled in Java, JavaScript, C#, SQL, HTML5, CSS3, JSP, Servlets, WordPress, and database technologies. Experienced in developing responsive web applications, designing databases, creating UI/UX prototypes, and solving technical problems. Familiar with NetBeans, Git, GitHub, Figma, XAMPP, MySQL, PostgreSQL, and Apache Tomcat. Seeking an IT internship to gain industry experience, contribute to real-world projects, and develop professional and technical skills.

EDUCATION

- **Higher National Diploma in Information Technology (HNDIT)**
SLIATE – Advanced Technological Institute, Badulla
2024 – Present
Expected Graduation: 2028
- **G.C.E. Advanced Level (Arts Stream)** | BD/ Tamil Central College, Bandarawela, Sri Lanka
2020

TECHNICAL SKILLS

- **Programming Languages** : Java, JavaScript, C#, SQL
- **Web Technologies** : HTML, CSS, JSP, Java Servlets, React.js, Node.js, Socket.io
- **Website Development** : WordPress, XAMPP
- **Database**: MySQL, PostgreSQL, MongoDB
- **Development Tools** : NetBeans IDE, Visual Studio Code, Git & GitHub, Figma, XAMPP
Apache Tomcat
- **UI/UX Design** : Wireframing, Prototyping, Responsive Design, User Interface Design
- **Creative Technology & Digital Design** : Canva, Adobe Photoshop, AI Vedio Creation

SOFT SKILLS

- Problem Solving
- Team Collaboration
- Time Management
- Continuous Learning
- Good Communication
- Creativity

PROJECTS

Inventory Management System

- Technologies : NetBeans | Java | JSP | Servlets | MySQL | HTML | CSS
- Developed a database-driven Inventory Management System using Java-based web technologies.
- Implemented application functionality using Java and Servlets.
- Integrated MySQL for storing and managing system data.
- Developed the project as practical experience in web application and database development.

Photography Booking System

- Technologies : NetBeans | Java | JSP | Servlets | MySQL | HTML | CSS
- Developed a photography-focused website using NetBeans.
- Created website interfaces using HTML and CSS.
- Integrated MySQL database functionality into the application.
- Gained practical experience in developing a complete database-driven website.

WordPress Website

- Technologies :WordPress | XAMPP
- Created and developed a website using WordPress.
- Used XAMPP as the local development environment.

CERTIFICATIONS

- **CAPR Programme – Enumerator Certificate (2026)**

Successfully completed the CAPR Programme.

Participated as an enumerator in conducting survey activities.

Demonstrated dedication and responsibility while carrying out assigned survey duties.

- **Diploma in Information Technology -Bandarawela Education Center Computer Unit (BECCU)**
- **Online Learning Courses in Programming & Artificial Intelligence**

ACHIVEMENTS

- Successfully explored multiple areas of IT, including web development, database management, UI/UX design, WordPress, mobile application development, and Artificial Intelligence.
- Developed a strong creative interest in Figma, interface design, website creation skills.
- Demonstrated the ability to learn new technologies independently through continuous online learning and practical experimentation.
- Developed strong problem-solving, creativity, adaptability, and willingness to learn through academic and personal IT projects.
- Demonstrated responsibility, dedication, and teamwork through participation in the CAPR Programme and survey-related activities.

LANGUAGES

- Tamil – Native
- English – Professional Working Proficiency
- Sinhala – Proficient
